SERVICE AND TRUTH TO EISENHOWER HIGH

Vol. III—No.8

Eisenhower High School

January 12, 1962

“DIXIELAND FESTIVAL” TO BE HC THEME

“The Dixieland Festival” has been announced as the theme for the 1961-62 basketball homecoming. The theme was voted upon last week at a regular student council meeting. On this night, January 19, the battling Eagles will be playing against Claremont in the Pacific High School gym.

In charge of homecoming activities this year, are Eileen Lehner, Connie Blair, and Kathie Bauer. At press time nominees for the court were not known. As usual there will be a queen, first princess, junior darling, and sophomore darling. The queen will be revealed

March of Dimes Campaign To Start Next Week

On the 16th and 17th of January Gary Smith and Jay Zercher, secretary of state and under secretary of state respectively, will place collection cans in all the senior high rooms during first period. These collection cans are for the March of Dimes drive, which is one of the two main charity drives at E.H.S.

The cans will then be taken to the Central Office of City Schools where the funds will later be distributed to places where they will do the most good.

The March of Dimes drive is a drive to raise funds to enable more research to abolish polio and other crippling diseases. It also helps people that are already inflicted with polio.

This very worthy drive, will, in the future, protect each American from such diseases and insure a better and healthy America.

during the half time ceremonies. She and the court will be honored following the game at the traditional dance, which will be held from 10 to 12 midnight.

On Monday, the court candidates, nominated by members of the Varsity basketball team will be introduced at a special assembly. Voting will take place at this time.

Hope Pays Off As ‘Stomp’ Is Scheduled

Stompin time is finally here. Our first stomp is to be held on Friday, January 12. The Junior Class is co-sponsoring this eagerly awaited affair with the Booster Club. Our stomp will take place in the school cafeteria from ten o'clock to twelve o'clock. The profit, which will be split 50-50 with the Booster Club, will be used for the Junior-Senior Prom, which will be held in May.

Paulette Chemieleswski is general chairman of the affair. Her committee sub-chairmen are Van Dunlop and Jan Mason, who will be responsible for the music, which will be records. Tina Stroh is in charge of publicity, Keith Frandsen security, Sue Timmons

Semester Exam Schedule

Semester Exams have been scheduled for the week of January 22-26. Dates for the exams are as follows:

January 22..... Period 2
January 23..... Period 1 and 6
January 24..... Period 3 and 7
January 25..... Period 4

This schedule is for senior high only.

JOHN GODDARD TELLS OF ADVENTURES

John Goddard, famed adventurer and explorer, was featured in a most interesting assembly yesterday. His discussion and films were of his most recent travels. Students remembered him from his assembly program last year, concerning his trip to Kilamonjaro, and from his assembly the previous year. The film lectures of Mr. Goddard

are always very popular, and always looked forward to by the juniors and seniors. For the sophomores the program is something new and talked about; then attended to see just what is so very interesting about them.

The donation to attend was 35 cents for Junior or Senior High School students. The ticket sale began last Monday.

Donations were in order to raise our portion of money to bring two American Field Service students here next year. The presence of our AFS students this year, Ulla Rundolf and Jens Holch, has been so greatly enjoyed that there has been a tremendous turnout to support this program.

Future Teachers To Be Honored

Delta Kappa Gamma, and its sister organizations, will sponsor a recruitment tea tomorrow afternoon from two-thirty to five-thirty. Those girls interested in becoming teachers, who signed up with Mrs. Helen Dollahan, received invitations to this affair to be held at St. Paul's Methodist Church, corner of 8th and Arrowhead in San Bernardino.

A feature of the event will be informal discussion groups which will enable those in attendance to talk with women of the teaching profession.

This is an annual affair in which future teacher candidates from local high schools are honored.

and Randy Wheaton, clean up. Diane Lockridge and Connie Fisk are in charge of refreshments. Chaperones for the affair are being provided for by the Booster Club.

The stomp is open to all students of Eisenhower High and their friends with guest cards. The Alumni are urged to attend. Price for the dance is 35 cents with an A.S.B. card and 50 cents without.

Since the dance is to be held after the basketball game with Rubidoux, the dress is school clothes. Girls in capris will not be admitted.

Eagles Will Have a Gym!

In the past, during basketball seasons, Eisenhower has used Pacific and San Bernardino High School gyms for practice and for the games. Recently it was speculated that Eisenhower would have a gymnasium by November of 1962 with an anticipated 10 months to complete the structure.

There were eight bids from con-

Teachers, Beware, The Cheaters Are Loose

As the semester comes to an end. Our final exams start rolling toward us. Do notice if any of your friends are preparing cheat sheets. For this is the time of year the "not so honest" fall into the habit of cheating. Are you one of the guilty parties?

There are many ways of getting A's. Of course the best way is to study, and I am sure all of you do occasionally. On the other hand the ones least expected exchange answers, now and then.

Since this topic was drawn to my attention, several comments were made. Some students told me how they would cheat. One friend said he might write the answers on a piece of paper and put it in the sleeve of his sweater. Another just would open his notebook and look up the answers. A certain sophomore girl used to write the answers on her leg. One day she started to look for them when her teacher was standing in front of her. That was one test she said, she failed.

Last but not least is the one with the idea of putting answers on the sole of her shoe.

So, teachers, beware during the finals, not everyone is honest.

Orange Show Ticket Sale

Junior Class president, Tony Radcliff has announced the beginning of the pre-sale of Orange Show tickets. This sale is one of the fund-raising projects of the Junior Class. Profits will be used to help finance the Junior-Senior Prom in May.

Tickets will go on sale for half price; \$.50 if purchased singularly and \$2.50 in books of five. If bought at the Orange Show gate they will cost \$1.00.

"The tickets will be sold until all five hundred are gone," stated Radcliff. The Orange Show will start its annual 10 day run on March 15. The Junior Class will boast an approximate 10% profit (Continued on Page 3)

MARINE CORPS OFFERS NEW PROGRAM

Master Sergeant Don Myers the local Marine Corps recruiter announced today a new plan offered by the Marine Corps. It is known as the "120 day delay program." This is a four fold plan designed especially for High School Seniors. Commencing February 17, 1962 any Senior can now enlist in the Marine Corps and choose a date he would like to go on active duty within 120 days after his enlistment. This means a qualified young man can enlist now and go on active duty after he graduates. By doing this he makes his time count "Double" as he is finishing school.

The advantages of this four fold program are: (1) Go on active duty with your first pay increase (a man must be in the Marine Corps four months in order to get his first increase). (2) This time will benefit him for his first promotion (6 months as a Private is usually necessary to qualify for the first promotion). (3) This time he serves while finishing school counts towards fulfilling his military privilege, and (4) If he enlists now knows he is qualified and will have the necessary mental tests and physical exams out of the way and can go on active duty when he chooses.

Trash Problem Out of Hand

Papers, cartons, sacks, and food — boy, it's all over our campus! Remember we are judged on the neatness of our school grounds.

I know — harp, harp, harp, that's all you ever hear is: Keep the campus clean, Stash your trash, and all the other slogans adopted to call attention to the campus campaign.

But this is important to the reputation of our school. We are in competition with San Bernardino and Pacific High Schools. So far we have won the clean campus contest three times, Pacific twice, and SBHS once.

If we keep up the good work we may stay in the lead, but-it will take the cooperation of the whole student body to continue our victories over Pacific and San Bernardino and — "Keep Our Campus Clean!"

This year Sergeant Myers announced, the San Bernardino recruiting office will be forming a San Bernardino County Squad. Any men interested in after February 17, 1962 thru graduation will have the opportunity to go as a squad from San Bernardino. This means that this squad will all go thru their basic training together. This would also mean that these men would be home on their 20 day leaves after training together.

For more information about this delay program and the San Bernardino County "SQUAD", Contact the local Marine recruiting station, Post Office Building, 5th and D Streets, San Bernardino, TUx81-2178.

Passing Notes

Have you made your New Year's resolutions. Maybe you didn't make any because you end up breaking them. But if you don't, it is still fun to make them. Maybe some kids make the same ones you do; the ones that sound real funny. Read the following and maybe your's won't sound so bad:

Mary Beltrane: I solemnly promise to give up all boys who drive big black cars.

Sharon Lambert: I will try to stop flirting with all the boys and pay attention only to Ron Kneer of San Bernardino.

Bill Potter: I resolve never again to drink more than two quarts of milk at one sitting and never to hit a referee when I foul out. But most of all, not to pay attention to Eileen when she talks about my feet.

Connie Van De Berghe: I have made a solemn promise not to make any more resolutions. I always end up breaking them anyway, so why make them.

Michele Derrick: Not to look out the door sixth period any more.

Eileen Moore: To keep right on teasing Bill about his big feet until they shrink.

Carol Moyer: I will try not to blush again.

Lisa Ullom: I promise never to go ape everytime I see a boy, in fact any boy.

Diane Chesebro: I promise Karen Bollinger I will dedicate all the books I write to her, if she will dedicate hers to me.

Club Chatter

Tonight after the game our Booster club and Junior class are going to sponsor a stomp. The Booster club consists of our parents, remember they stand behind us. Let's show our appreciation and make this a big success.

Lettermen are working toward sponsoring a dance also.

January 9, 1962 the Ambassadors had a very important meeting. Rev. Fox was their guest speaker.

During Christmas vacation many of our clubs held Holiday activities. Almost all the clubs had parties.

Spanish honor club went to Olvera St. in Los Angeles.

Diplomats had a meeting January 8, after school.

If the club representatives would contact Eilene Moore, and give any news about an on-campus club, this would be appreciated.

School Library Is Run Efficiently

Eisenhower High School has one of the finest Libraries in the San Bernardino School district.

The school library is under the direction of Mrs. Avonelle Tierney. Under her direction and with the help of all of the students that work with her, the library is run very efficiently.

The students of EHS check out from 175 to 200 books a day. Mrs. Tierney keeps the library open for the students to use from 7:30 a.m. until 4:00 p.m., then on Tuesday nights from 7:00 until 9:00.

The Library always gets new books in everyday, and there are numerous subjects handled. The EHS library is to help the students and it is very important in studying.

Two Weeks Left To Make Your Mark

Word is spreading like wildfire around Eisenhower High School's campus—January 26 is the end of the first semester! Just two short weeks and report cards will make their "popular" appearance. Students can hardly believe that sixteen weeks of school have passed them by so rapidly.

At this very moment many of Eisenhower's finest citizens are

worrying frantically about the many final exams they are yet to face. In their opinion this may not be the most pleasant of subjects on which to focus their minds, but then they think of their combined feeling of relief and joy they will experience when they see the result of their hard labor appear in the form of an A or B.

To the Eagles, semester's end doesn't mean only exam after exam and misery and worry. They think about the many clubs they will be eligible to join because of a mark well earned. Many organization take in new members at the end of the semester as well as the beginning of school.

For those who think they could have done better in their work, there is the bright prospect of a clean start this semester. And of course everyone enjoys the slower pace at the beginning of the new quarter.

Office Production Class Receives Useful Information

Mr. Willian, from Atlas Travel Agency, explained to the Office Production Class, early last month, the various facets of travel and transportation that would be important to a secretary. He also told them how to make reservations for different things such as hotels, airlines, steamship lines and bus lines; also the special rates they have to offer to the business man or woman.

Later that week Mrs. Bowman from Pacific Telephone Company, lectured on telephone manners and how a secretary handles all types of telephone contacts.

Early this month Mr. Martin from the Rialto Post Office talked to the class on the handling of mail, special notations and classes of mail. He explained postal zones and rates. He also demonstrated how a package should be properly wrapped.

SPORTS

Eagles Jolt Chino, Soren, Lucas Lead Way

Led by Jack Lucas and a stand-out performance by Jim Soren, the Varsity cagers downed Chino 50-41 at the Pacific gym Tuesday.

The Eagles trailed 23-17 following a disastrous first half, in which Eisenhower failed to score for the first five minutes of the second quarter. Soren carried the bulk of the load during the early going, hitting well from the outside, but Chino's control of the boards slowed the Eagle attack.

A fired-up Eisenhower team took the floor in the third quarter and pulled within four points as Lucas started to hit well.

The fourth quarter was marked by wild action by both teams, which resulted in four fouls, the most called in an Eisenhower game to date.

Jim Soren caught fire midway through the fourth quarter, and hit for six straight points to give Ike a lead they held the

BASKETBALL Homecoming - 19

OLD NEMESIS INVADES EAGLE LAIR TONIGHT

In a head-on struggle for Tri-County League basketball supremacy, Eisenhower's "Go-Go" Eagles duel old nemesis and traditional rival, the Falcons from Rubidoux, in the Pacific High gym, tonight.

Coach John Dowd's fast break tactics, led by his senior scoring duo of Jack Lucas and Jim Soren, have run up an astronomical 60 points per game average in winning two consecutive league contests and 7 of 9 overall. On the other hand, the up-and-down invaders from Southeast Riverside boast a spotty 7-5 record despite being everybody's pick for the TCL crown after dumping vast Ramona by ten, 49-39.

In an earlier meeting, Ramona demolished Ike 73-59.

The probable starters for EHS are

Soren and Bruce Bartells at guard, Lucas and Terry McDonald at forwards; all seniors, and sophomore Bill Potter or his alternate, ASB President Guy Hogle, at center.

Tuesday, the Eagles took a come-from-behind 50-41 triumph in a foul-filled, near brawl that was far closer than the nine point margin would show. Soren, who at one point scored six straight and had the wildly partisan crowd in a near uproar, combined with Lucas for 38 points, and 46 the Friday before. Bartells, whose defensive work was all but phenomenal for a 5-9 guard, added 8 more.

Rams Belt JV's 68 - 35

Our out-of-practice JV's succumbed to the powerful Ramona Rams 68-35. Having only one practice under their belts was bound to have had an affect on the outcome, as well as the fact that first string center, Danny Roberts, was out with blisters.

Ramona jumped out to a 15-5 lead in the first quarter and stretched it to 28-14 at the half, despite the hard-nosed defense of Wayne Haggard.

Fred Cowart was the Eagle high scorer with 11 followed by Haggard with 6 and Van Dunlop with 5.

The Rams' Erger was the game's high scorer with 15.
